CAMELLIA JAPONICAS

THE ARISTOCRAT OF THE SOUTHERN GARDEN

Delightful winter-flowering evergreen that is increasing in popularity each year. Ideal cut flower for florists.

We specialize in growing Camellias, and after many years of propagating and growing them we pride ourselves on the vigorous, healthy plants we have to offer this season.

Because of the scarcity of some varieties, we do not have enough plants yet to list, but will list them as soon as can have stock available.

• RARE VARIETIES OF CAMELLIAS •

We are offering a few of our much prized rare Camellias. We can only furnish a limited number of these this season. These prices are net. (NO DISCOUNT ON RARE VARIETIES regardless of how many ordered.)

OUR CLASS A-1 CAMELLIAS

These are the usual best standard varieties.

BOLEN'S No. 4

BRILLIANT

Very double, large bright red. Blooms early mid-season, one of the best double red Camellias, good compact grower.

MADAM
STREKALOFF

BOLEN No. 4

Deep shell pink, medium size blooms, some larger than Pink Perfection. Late mid-season.

CHANDLERII ELEGANS

One of the finest and largest of the peony-type Camellias. Cherry-red, variegated with white and rose.

COUNTESS POLYANNA MAGII

Very large, double-white, with an occasional pink spot, blooms from mid-season until late.

DUCHESS de CASSI

Very double peony-type, white variegated, with orchid and pink, very attractive and unusual variety. Sizes 10-12 inches and up.

DUCHESS de ROHAN

Fluffy, peony-type, same shade of pink as the Mrs. Chas. Bell Rose. Blooms mid-season until late.

ELLEN McKINSEY

Flowers double, fluffy, peony-type, pink striped and spotted with white, has a very few stamens intermixed with petals. Begins blooming very early and continues throughout the season.

MISS DORA
McCARTER

ENRICO BETTONI

Very large, clear light pink. Varies in form from semi-double to peony-form on same bush.

GLOIRE de NANTES (LEANA SUPERBA)

Very large, semi-double cerise, has long yellow stamens, center petals often twisted. Beautiful dark green foliage, that makes the plant unusually attractive as an evergreen, the blooms stand out above the foliage in a way that we have not seen in other varieties.

No. 101

GUNNELLI (MONARCH)

Very large, heavy peony-type deep pink, sometimes has some white spots, has good foliage, dwarf spreading grower, as this variety is more compact and does not grow tall as fast as other varieties. The price of specimen plants will be one grade higher than other varieties: For example the price of 18-24 inches will be listed price of 24-30 inches. This is one of the best.

HERME

Large, loose peony-type variegated white and pink. A beautiful flower, but the plant does not grow as compact in the nursery as many other varieties (Can furnish sizes 3-5 inches and 36 inches and up.)

JEANERETTE PINK

Large, semi-double to peony-type solid pink. (Can furnish specimen size plants 18-24 and 24-30 inches.

PROFESSOR
C. S. SARGENT

VARIEGATED JOHN BENNETT

Semi-double loose petals with center petals intermixed with stamens. Salmon-pink and white variegated. (Can furnish sizes 30-36 inches and up.

**BOLEN'S LATE
TRI-COLOR**

MADAM STREKALOFF (Belle Romana)

Beautiful large double soft rose with very small stripes of crimson. Has about 60 outer petals and 24 to 30 smaller petals in center.

MISS DORA McCARTER

Large single white flowers with yellow stamens. This is the best single white Camellia we have seen. We named this variety in honor of the one in whose garden it originated.

NATCHEZ

Large red, has large outer petals with smaller petals in center, has white spots on some of the blooms. (Can furnish sizes 3-5 inches up to 24-30 inches.)

No. 101

Semi-double, deep cherry-red, mottled and marbled with white, has prominent stamens in central compact ring. We have been growing this variety as Donklaeri, but have learned that this is not the true Donklaeri, the type of bloom is the same, but not quite so large and the foliage is different. This is a very fine variety.

**RED
TRI-COLOR**

OTOME

Double shell pink, larger than Pink Perfection and shows veins of slightly deeper pink. (Can furnish sizes 3-5 inches up to 12-18 inches.)

PINK PERFECTION

Very double, medium size flowers of delicate shell pink. One of the first to begin blooming during the Camellia season.

PROFESSOR C. S. SARGENT

Beautiful, very double, peony-formed flowers, rich deep crimson, begins blooming early in the season, has about 20 outer petals and a tuft of 240 or more smaller petals in center.

BOLEN'S LATE TRI-COLOR

Semi-double flowers, usually pure white with red or pink stripes or spots, with occasionally a solid red or white bloom on same bush, blooms late.

RED TRI-COLOR

Same as above, only flowers are solid red.

BOLEN FLORIST and CAMELLIA GARDENS

LUCEDALE, MISSISSIPPI

We thank our customers of the past for their business and nice letters expressing their appreciation of our plants, service, etc., and we will appreciate the business of all new customers. Our aim is to give the best plants and service it is possible to give.

A Certificate of Inspection will accompany each shipment.

Our terms are cash, or one-fourth cash and balance C. O. D. 3% discount and packing free when cash accompanies order. Where plants are selected from the nursery, and just the heavy plants selected, they will take a higher price rate than the regular nursery row run of plants.

Attractive discounts on truck or car-load lots. We invite you to visit our nursery and make your own selection.

In lining out plants, 5 each of one variety takes the ten rate; 10 each of one variety takes the 100 rate. In specimen plants we can furnish one plant of each variety up to ten plants at the ten rate.
